From the Pastor,

I would like to update the parish on some of the long-term planning ideas presently being discussed in the parish. Over a year ago we took a survey of the parish dealing with many subjects. In addition, we have the "priorities of the Diocese" given to us from the diocese. We also have our own long term plans. These are all in the process of being brought together in a "Five Year Plan" being drawn up by a committee of members of the Development and Finance Council and the Parish Pastoral Council.

This plan and the other work we are doing has the goal of allowing us to be in charge of our future. All too often a parish just reacts to what happens around it. We want to change that. We want to know who our parish members are, what their needs are, what the parish can do better to help them live a life of grace in Jesus Christ. We need to know how to raise enough money to support the parish and the ministries of the parish. We need to find better ways to welcome new people into our community and to get people to participate in the ministries of the community. We must always be working to make the parish Food Bank and Saint Mary's School stronger.

One of the most important aspects of our future is the rich reality of being a multicultural parish community. We must be constantly working to have the Spanish speaking part of our community and the English speaking part of our community work well together and bring in our new African members as well.

In the next week we will be having a special meeting of the Parish Pastoral Council and other parish councils and boards to make sure all of us are on the same page as we go forward. I am very proud of all those who are working to make all of this happen. Please keep everyone in your prayers.

Peace,  
Father Tom Faucher, Pastor

Esta semana celebraremos en nuestra parroquia el "Día del Niño". Es muy hermoso y significativo que dediquemos un día del año a honrar a nuestros niños/as. Quiero invitarlos a que reflexionemos sobre cómo estamos tratando a los niños/as en nuestras familias, escuelas y sociedad en general. Pienso que no los estamos tratando con el respeto y protección que se merecen. Hay mucha violencia y abuso hacia los niños/as en todos los niveles de la sociedad. Esto quiere decir que el futuro de la humanidad está en peligro. Es como si maltratáramos los retoños de una planta o de un árbol. Los invito a que hagamos algo. Ciertamente en nuestra parroquia estamos haciendo esfuerzos para garantizar que los niños/as y jóvenes que acuden a nuestra iglesia cuenten con el respeto y protección necesarias. ¿Podríamos hacer lo mismo en nuestras casas, escuelas y lugares públicos?

Su amigo y servidor,  
Padre Jesús Camacho
