From the Pastor,

MORE ON OUR PARKING ISSUES

In two weeks we will have First Communion for the English speaking part of our parish community. This is a very special time for all of us at St. Mary's. It is also a very crowded time, with the construction this year making it even worse. Part of the parking lot area that we normally use is now occupied by construction materials.

But in general the parking issues continue to be of concern on all Sundays. At Easter I made some requests of the parish and everyone was most cooperative. Because of that Easter went well. I would now like to ask for everyone's cooperation both for First Communion Sunday and the Sundays to come.

1. GOOD NEWS – we now have permission on Sunday morning to park in the outside row at Northwest Garage, the blue building across State St. from our regular parking lot. We are asked not to park in front of the garage doors. There is a walk light right there to cross State Street.
2. Regular parishioners for all Sunday Masses PLEASE use the parking available at St. Mary's Crossing and now at the Northwest Garage. This one change would solve at least half our parking problems.
3. We can also park on Lemp Street outside the Lowell School lawn. There is a large open space across from the Pizza Hut driveway. We are asked NOT to park in the Pizza Hut lot itself.
4. I would like to make permanent something we tried at Easter. The entire main drive in front of the school will be available for parking for handicapped and elderly only. It can be used to drop people off, but there will be no entrance into the parking lot from that drive.
5. On some weekends, such as First Communion Sunday, we will have traffic officers available to direct traffic and hopefully relief some of the congestion.
6. Included in the bulletin this week is a map showing the four main parking areas for the parish: 1) Our own lot. 2) St. Mary's Crossing. 3) Northside Garage. 4) Lemp street at Lowell school.

There is something wonderful that our biggest problem right now at Saint Mary's is that more people want to come to worship God here and enjoy the community than we can find parking for.

Peace,
Fr. Tom Faucher, Pastor
