PASTORS' PAGE

From the Pastor:

I hope all of you have by now had a chance to read the Report on the State of the Parish. In it I am very optimistic about the possibility of beginning construction on the renovation of the church soon after Christmas. In order to do this we will need to find more money than we presently have. I thank all of those who are completing their pledges and I ask those who have not done so to work hard to give just a little more. Then we will work to find the last amount of money we need. Saint Mary's has been waiting too long to do something and it is time to begin. Pray that we are successful.

Peace,
Fr. Tom Faucher, Pastor

P.S. I am so proud of Father Jesus Camacho and the grateful to Dan Popkey and the Idaho Statesman for the article about Father in the paper on July 9th. I suggest that people write letters to the editor telling again what a wonderful person Father Camacho is.

Para los que recibieron mi reporte sobre el estado de la parroquia, espero que hayan tenido la oportunidad de leer lo. En este reporte menciono con mucho optimismo que hay una posibilidad de comenzar la construcción de la renovación de la iglesia muy pronto después de Navidad. Pero para poder alcanzar esta meta toda vía nos falta recaudar más dinero de lo que tenemos presentemente. Agradezco el esfuerzo que están haciendo todos los que han cumplido con sus promesas de pagar sus donaciones y les pido a los que no han cumplido con su promesa que por favor hagan todo lo posible por cumplir y dar un poco más. Sí todos ponemos de nuestra parte, después podemos recaudar el poco dinero que nos falta conseguir. La parroquia de Santa María ha esperado mucho tiempo para hacer algo en relación a la renovación y es tiempo de comenzar. Hay que tener todo esto presente en nuestras oraciones para tener éxito.

Paz,
Padre Tom Faucher, Párroco

P.D. Estoy muy orgulloso del Padre Jesús y muy agradecido al Sr. Dan Popkey y al periódico del Idaho Statesman por el artículo que escribieron del Padre Jesús el 9 de julio. Recomiendo que escriban cartas editoriales al periódico apoyando los elementos del artículo que mencionan la maravilla que es el Padre Jesús.

.....

Dios trata con el mejor de los cuidados a sus criaturas; y reserva lo mejor para los seres humanos. A nosotros nos ha hecho corresponsables de su creación. Para eso nos ha llenado de regalos: inteligencia, cualidades, talentos y habilidades. Es decir, nos ha dado todo lo necesario para el cultivo y cuidado de la naturaleza y del universo. El mundo, la tierra y el universo entero son responsabilidad de los seres humanos. Todo lo que hemos recibido no es para nosotros mismos. Los talentos y habilidades son instrumentos para nuestro trabajo. Es responsabilidad nuestra el cuidado de la tierra, del agua, del aire, de los animales, de los árboles, etc. Es responsabilidad nuestra el que haya paz, armonía y justicia entre todos los seres creados. Es por lo tanto muy importante que aprendamos a sentirnos responsables de lo que pasa a nuestro alrededor. ¿Cómo y dónde aprenderlo? Empieza en la propia casa. Los papás enseñan a los hijos a ir tomando parte en las tareas de la casa al ritmo de su crecimiento. Este trabajo voluntario se va extendiendo a la escuela y a la comunidad. El ejemplo de los papás es el mejor entrenamiento y la mejor motivación. El trabajo voluntario que se regala es sin duda alguna una gran contribución; pero lo más importante es que cumple con el plan de nuestro Creador. Quiero agradecer a todas las personas que regalan su tiempo, energías y talentos para el servicio de nuestra comunidad parroquial. Al mismo tiempo, quiero alentar a los padres de familia a que promuevan en sus hogares la participación de los niños y niñas en las actividades de casa. Así aprenderán a ser voluntarios durante toda su vida en su escuela y en su comunidad y en su iglesia. Esta clase de trabajo no es pagado aquí abajo; el trabajo voluntario es pagado por Dios mismo. Y lo paga muy bien.

Su amigo y servidor,
Padre Jesús Camacho

God cares for all of His creatures; and reserves the best for human beings. He has given us a co-responsibility of caring for His creation. This is why he has filled us with gifts: Intelligence, qualities, talents and abilities. It is to say, He has given us whatever tools are necessary to cultivate and care for the universe's nature. The world, the land and the universe entirely are all responsibilities of human beings. All that we have received is not for ourselves. Our talents and abilities are instruments for our work. It is our responsibility to care for land, water, air, animals and trees, etc. It is our responsibility to promote peace, harmony and justice within our humanity. This is why it is very important to learn how to be responsible for our surroundings. How and where do we learn this? This begins at home. Parents teach their children how to take part in age-appropriate chores at home. This volunteer work starts extending itself to school work and community work. The parents' example is the best training and motivation for the children. Volunteer work is without a doubt the best contribution one can give; but the most important aspect of volunteer work is that it falls within God's plan. I would like to thank all of the persons who donate their time, energies and talents to serve our parish community. At the same time, I would like to encourage all of the parents to help promote participation in activities at home with their children. This is how they will learn to volunteer during their lifetime at school, community and church. This type of work is not paid here on earth; volunteer work is paid by God Himself. And he pays very well.

Your Friend and Servant
Father Jesús Camacho
