Happy Memorial Day weekend! It is a time to remember all of those who have died in the defense of our country and all of our family and friends who have died as well. We who know about the Resurrection find these days much easier than those who live with no hope for the future.

In two weeks I will be leaving for my summer vacation. Last summer, with medical issues as well as the illness of parish staff members I did not get a vacation. This year I am going to Britain to give a retreat and then stay there for awhile seeing friends and hopefully continuing to do physical therapy to get my walking better. We will have a variety of priests here for the English Masses while I am gone, and Father Camacho and the staff will provide the ongoing running of the parish.

**Peace,
Fr. Tom Faucher**

Qué pasen un feliz fin de semana! celebrando el "Memorial Day". Este día es para tomar la oportunidad de recordar a todos aquellos que han muerto defendiendo a nuestro país, y también a todos nuestros familiares y seres queridos que han fallecido. Nosotros, los que creemos en la resurrección, aceptamos este tiempo de recordar a nuestros difuntos más fácilmente que los que viven sin esperanza para el futuro.

En dos semanas empiezo mis vacaciones de verano. El verano pasado, por cuestiones de mi salud y la salud de otros miembros de la oficina parroquial, no pude tomar mis vacaciones. Este año viajo a Bretaña a dar un retiro y me quedo un tiempo para visitar a unas amistades y también espero tener la oportunidad de continuar mi terapia de ejercicios físicos para poder caminar mejor. Vamos a tener diferentes sacerdotes aquí mientras yo estoy de vacaciones para celebrar las misas en inglés. El Padre Camacho y el personal de la oficina parroquial, administrarán los asuntos necesarios para seguir con el funcionamiento de la parroquia.

**Paz,
Padre Tom Faucher, Párroco**

La Eucaristía es una fiesta que celebramos cada domingo. La primera Eucaristía fue celebrada por Cristo en la Última Cena; y cada Jueves Santo celebramos este aniversario en la Semana Santa. Pero la Iglesia ha querido establecer una fecha especial para celebrarla con toda alegría y devoción.

Pienso que esta fiesta nos presenta una buena oportunidad para actualizar (poner al día) nuestra manera de entender la Eucaristía. Hubo un tiempo en que se daba más importancia a la adoración de la Eucaristía. Ahora la Iglesia quiere que le demos más importancia a la Eucaristía como celebración dominical comunitaria de la fiesta de la salvación, en la cual participamos activamente todos los bautizados, tanto en la escucha de la Palabra de Dios como en la comida del "Pan Vivo bajado del Cielo".

Otro elemento que vale la pena revisar es la disposición requerida para recibir la Comunión. Es cierto que por el Bautismo todos tenemos derecho de participar en la Comunión; pero cuando hemos cometido un pecado serio (mortal), nosotros mismos nos quitamos ese derecho, al romper nuestra relación con Dios y con la Iglesia. San Pablo nos recomienda que no recibamos el Cuerpo y la Sangre del Señor "indignamente" (1Cor 11:27-29). Por lo tanto, es necesario primero reconciliarnos con Dios y con la Iglesia, antes de volver a recibir la Comunión. Invito a cada uno de ustedes a reunirnos cada sábado y domingo en nuestra iglesia a celebrar con alegría y gratitud la fiesta del Cuerpo y Sangre de Cristo, alimento de vida eterna.

**Su amigo y servidor
Padre Jesús Camacho**

The Eucharist is a feast that is celebrated each Sunday. The First Eucharist was celebrated by Christ during the Last Supper; and every Holy Thursday we commemorate this during Holy Week. But the Church has established a special date for us to celebrate it with much joy and devotion. (Continued on page 3)

I think that this feast presents us with a good opportunity to update our understanding of the Eucharist. There was a time in which more importance was given to the Adoration of the Eucharist. Now the Church wants us to give more importance to the Eucharist as a Sunday communal celebration of the feast of our salvation in which we actively participate; all of us who are baptized can participate as much by listening to the Word of God as by eating of the "Live Bread brought down from heaven".

Another element that is worth looking into is the required disposition to receive Communion. It is true that through our Baptism we all have the right to participate in the Communion; but when we have committed a serious sin (mortal), we—ourselves have taken away that right by breaking our relationship with God and our Church. St. Paul recommends that we not receive the Body and Blood of our Lord "unworthily" (1 Cor 11:27-29). Therefore, it is necessary to first reconcile with God and the Church before we receive Communion. I invite each and every one of you to gather every Saturday and Sunday in our church to celebrate with great joy and thankfulness the feast of the Body and Blood of Christ, the nourishment for eternal life.

*Your friend and servant
Padre Jesús Camacho*

Reflections

1. Recall a celebration of the Mass that meant a lot to you.
2. People quarreled over Jesus and what he expected of them. What does he expect of you in your life?
3. Although receiving the body and blood of Christ is personal, it is not private. Christ gave us himself for "the life of the world." What commitments does the Eucharist call you to?

Congratulations to our St. Mary's Student and Faculty for their Outstanding Academic Achievement!

The ISAT is a computerized adaptive test in which the difficulty of the test is adjusted to the student's performance. As the student answers correctly, the questions become more and more difficult. If the student answers incorrectly, the questions become easier and easier. Within an optimum test, the student answers approximately half the items wrong and half right. The results of the ISAT estimate the student's achievement level with high reliability.

At the completion of the test each student's scores are reported by using a RIT (**Rausch Unit**) score. The RIT score relates directly to a curriculum scale in each subject area (Language, Mathematics, & Reading)

The questions on the ISAT are generated from the Idaho State Standards in each of the three subject areas: Language, Mathematics, and Reading.

As you may recall, we have made modifications to our curricular materials (textbooks) to enhance our educational program at St. Mary's. These test results are definitely an indication that these were the right decisions.

St. Mary's Performance:

St. Mary's School faculty and students can be very proud of their achievement and growth this year. I have posted charts, in the hallway, that identify both fall and spring testing scores for the entire population as well as individual classroom scores.

The following table shows our school's achievement, for the spring testing period.

	Proficient	Advanced	Proficient +Advanced
Language	25%	66%	91%
Mathematics	42%	50%	92%
Reading	30%	64%	93%

More important is to note how many students moved up from the lower categories to the Proficient and Advanced categories with the majority of the students scoring in the Advanced category in most of the individual tests. This marks a continuation of our tradition of excellence in our educational program. Our students leave here well prepared for Bishop Kelly or any high school. Over half of the St. Mary's Alumni who are graduating from Bishop Kelly High School this year are members of the National Honor Society and all have been involved in the community life at St. Mary's in music, drama, sports, and clubs.
