### PASTORS' PAGE

There is an insert in the bulletin this week which is a letter from me about the development of a new Saint Mary's School Governing Board. My letter says that we are ready to take the next step in setting up this board which is a final determination of its authority and function. It is also time for the members to take some training in Board membership and operation. Those who will become members of this board will spend the next weeks dealing with those two issues. When they have completed these tasks they will become the new Saint Mary's School Governing Board. I am very thankful for all the people who have been part of this process and for those who have agreed to become members of the new board. We are a fortunate parish to have so many dedicated and talented people.

Fr. Tom Faucher, Pastor

Esta semana en el boletín incluyo, aparte de este mensaje, una carta que yo escribo en relación al progreso de la nueva Mesa Directiva de la escuela de Santa Maria. Mi carta dice que estamos preparados para tomar el próximo paso en la instalación de la Mesa, es decir determinar cual es el nivel de la autorización y función de la Mesa. Es también un tiempo de formación para q los miembros de la mesa sobre las funciones de la operación de una Mesa Directiva. Los miembros de esta Mesa van a pasar las próximas semanas enfrentando estos dos temas. Cuando terminen estos dos trabajos, se instalaran como la nueva mesa directiva de la escuela de Santa Maria. Yo estoy muy agradecido con todos aquellos que han participado en este procedimiento y especialmente a los que han comprometido ser miembros de la nueva Mesa. Somos muy afortunados en nuestra parroquia de tener tanta gente tan dedicada y talentosa como los feligreses de nuestra comunidad de Santa Maria.

Padre Tom Faucher, Párroco

Septiembre es el mes de la "Herencia Hispana". Cada pueblo de la tierra tiene su propia historia y su propia cultura. No hay ninguna mejor que otra. Cada una es tan valiosa como diferente a las demás. Es de suma importancia conocer la herencia que han venido dejando las generaciones anteriores; porque de allí nace la identidad. La identidad de una persona, de una familia y de un pueblo proviene de sus raíces históricas y culturales. Invito a todas las personas cuya herencia es hispana a conocer y transmitir esta herencia. Felicidades a los pueblos y naciones que en este mes celebran su independencia. Que Dios los bendiga.

Your friend and servant,  
Padre Jesús Camacho

September is the month of "Hispanic Heritage." Each town of the land has its own history and culture. Not one is better than the other. Each one is as valuable, as different as the others. It is of total importance to know the heritage that each generation has left behind, because that is where identity is born. The Identity of a person, a family and a town comes from the historic roots and cultures. I invite all persons whose heritage is Hispanic to know and pass on this heritage. Well wishes to all the towns and nations which celebrate their independence this month. May God Bless You.

Su amigo y servidor  
Padre Jesús Camacho
