### PASTORS' PAGE

I thank all of those who were involved in the Ministry Fair last weekend. We have so many ministries and so many good people who bring Christ to others in this great parish family. I also want to take this chance to thank many of the other people who do so many things here at Saint Mary's. I thank those people who do such a great job of taking care of the grounds, the flowers, the lawns. I thank those who help out as volunteers at the parish office and the school. I thank those who are involved with Generations of Faith. Also thanks to those who do much wonderful work in the Food Bank, the liturgies, all the councils, committees and board, the choirs, and in so many other ways.

For many of the weekends in the future we will have the opportunity to buy incredibly good tamales after the Masses. This is a way for all of us to appreciate how talented members of the Hispanic part of our parish are in creating good food. The money from the sale of the tamales will go to the new church costs.

Again thanks to everyone for all you do.

Peace,  
Fr. Tom Faucher, Pastor

Muchas gracias a todos los que participaron en la feria de ministerios el fin de semana pasado. Tenemos muchos ministerios y mucha gente generosa que acerca a Dios a otros en nuestra familia parroquial. También quiero compartir mi gratitud con todos aquellos que hacen muchos trabajos aquí en nuestra parroquia de Santa Maria. Les doy gracias a todos que trabajan en mantener el pasto y las flores y lo que es el exterior de la iglesia. Muchas gracias también a todos aquellos que se ofrecen de voluntarios en la oficina parroquial y la escuela. Gracias a todos que están involucrados en el programa de Generaciones de Fe. Y gracias a los que trabajan maravillosamente en el banco de comida, las liturgias, todos los concilios, comités, coros, y en muchos otros aspectos de la parroquia.

Tendremos la oportunidad de comprar tamales muy sabrosos después de cada Misa en los fines de semana que siguen. Esta es una manera de poder apreciar el talento de nuestros miembros de la comunidad Hispana. El dinero de la venta es para contribuir al costo de la nueva iglesia.

De nuevo, les quisiera dar las gracias a todos por todo lo que hacen.

Paz,  
Padre Tom Faucher, Párroco

El eje central y el núcleo de la vida de la comunidad parroquial es la familia. La parroquia está formada por familias. Por lo tanto, la comunidad parroquial es como un retrato amplificado del grupo de familias que forman la iglesia parroquial. La misión de la parroquia es, por lo tanto, la de integrar en una sola familia todas las familias de bautizados en la nuestra fe. Esta es la manera en que Jesucristo, Nuestro Salvador, va trabajando nuestra salvación día tras día, semana tras semana. Por esto, ver las familias reunidas en nuestra iglesia es no solamente un espectáculo maravilloso, sino sobre todo es un acontecimiento de salvación. Que Dios nos bendiga.

Su amigo y servidor  
Padre Jesús Camacho

The central axis and core of parish life is the family. The parish is made up of families. Therefore, the parish community is like an amplified picture of the families that form the parochial church. The very mission of any parish community is that of integrating into just one family all the families of baptized people. This is the way through which Christ, our Savior, is working our salvation day after day and week after week. This why to see all the families gathered together in our church is not only a marvelous spectacle but, above all, is a saving event. May God bless you.

Your friend and servant,  
Padre Jesús Camacho

### CENTERING PRAYER WORKSHOP

Centering Prayer is a method of response to God's invitation to enter into a loving intimacy and relationship. Centering Prayer prepares us to be open, available, and present to God's action and presence in the innermost recesses of our being. It facilitates a process of interior transformation initiated by God and leading, as we consent, to divine union. Centering Prayer prepares seekers for contemplative prayer which, as summed up by St. Gregory the Great, is "the knowledge of God impregnated with love." Centering Prayer facilitates both the deepening of our personal relationship with Christ, and release from the attachments that prevent development of this relationship, through contemplation and the unfolding of the theological virtues of faith, hope and love. The fruits of Centering Prayer are naturally and gradually experienced in daily life with increased ability to cheerfully love and serve God and neighbor.
